TOP BEAUTY & GROOMING MAGAZINE AWARDS GROOMED! ACCOLADE

At the Pure Beauty Awards held last night at London's Savoy Hotel **GROOMED!** Moisture Zone Shave Cream was awarded Silver in the Best Male Shaving Launch, we rivalled a number of market leading brands to win this honour.

The vigorous testing and voting was conducted by top experts in their field, who put the competitors through their paces over several weeks. TV presenter Rick Edwards announced the winners last night.

GROOMED! Moisture Zone Shave Cream with added ORGANIC COCOA BUTTER and BRAZIL NUT OIL provides a rich creamy shave cushioning the skin and protecting against irritation. Leaves the skin feeling smooth and nourished.
